

EXPRESSION OF INTEREST – ONLINE SUPPLIER REGISTRATION

EOI/OSR/2026

Morupule Coal Mine (MCM) Ltd is a coal mining company established in 1973 to mine and transform coal into unlimited sources of energy. The MCM business is at the heart of a prosperous future for Botswana where coal production contributes significantly to the economic development of Botswana. Morupule Coal Mine is owned 100% by the Minerals Development Company Botswana (MDCB). Morupule Coal Mine is located 14 km northwest of the urbanized village of Palapye (the fastest growing centre outside the capital city of Gaborone), along the Serowe-Palapye national highway (A14). The company's vision is 'To be a leading coal energy business'.
