

MORUPULE COAL MINE PRODUCTS AND SERVICES RESERVED FOR CITIZEN OWNED COMPANIES

Morupule Coal Mine (MCM) commits to leverage its purchasing power to support and increase the participation of Botswana registered citizen owned companies in the provision of goods and services to MCM.

The commitment to increase the participation of Botswana registered citizen owned companies is aligned to the provisions of the Mines and Minerals Act (section 12) which requires the holder of a mineral concession to give preference to Botswana products and services to the maximum extent possible consistent with safety, efficiency and economy.

A citizen owned company is a Botswana registered company in which more than 50% of the voting share capital is held by a citizen(s) of Botswana.

The following products and services will fall into the category of products and services that are reserved for citizen owned companies as at 1st February 2017:
