

INVITATION TO TENDER

Morupule Coal Mine (MCM) is a mining company established in 1973 to mine and unlock true value of coal for all stakeholders. The MCM business is at the heart of a prosperous future for Botswana with coal production contributing significantly to the economic development of Botswana. The Mine is owned by the Minerals Development Company Botswana (MDCB) a mining investment entity of the Government of Botswana. Morupule Coal Mine is located 7 km northwest of the urbanised village of Palapye (the fastest growing centre outside the capital city of Gaborone), along the Serowe-Palapye national highway (A14). The company's vision is 'To be a partner of choice in the global coal transition'.

MCM invites well established (50+% Citizen Shareholding and Directorship) owned accredited laboratory Companies to tender for the following:

I. Provision Of Quality Monitoring Services for Potable Water, Food Safety, Wastewater and Pollution Monitoring Boreholes for Morupule Coal Mine- 36 months (Tender No MCM-SHE-08-168-2512-CF-0)

The critical aspects of the scope of works (SoW) are as follows but not necessarily limited to;

- To determine the quality of sewage waste effluent before release and water at the pollution control dam in line with legal requirements (BOS 93:2021).
- To determine the quality of effluent from the wash bay oil separators in line with BOS 93:2021.
- To determine the quality of potable water in line with legal requirements (BOS 32:2015).
- To determine quality of food, people, and equipment hygiene at the canteen in line with applicable legal and other requirements.
- To determine the changes in water quality and boreholes water levels from pollution monitoring boreholes in line with applicable legal and other requirements.
- To determine quality of the effectiveness of the water and sewage/effluent treatment processes.
