

INVITATION TO TENDER

Morupule Coal Mine (MCM) is a mining company established in 1973 to mine and unlock true value of coal for all stakeholders. The MCM business is at the heart of a prosperous future for Botswana with coal production contributing significantly to the economic development of Botswana. The Mine is owned by the Minerals Development Company Botswana (MDCB) a mining investment entity of the Government of Botswana. Morupule Coal Mine is located 7 km northwest of the urbanised village of Palapye (the fastest growing centre outside the capital city of Gaborone), along the Serowe - Palapye national highway (A14). The company's vision is 'To be a partner of choice in the global coal transition'.

MCM invites well established Engineering and Automobiles Companies to tender for the following:

I. Supply, Delivery and Commission of Hybrid Electric Light Vehicles – MCM - ENG-00-305-2609-CF-I

The critical aspects of the scope of works (SoW) are as follows but not necessarily limited to;

The intent is to replace confirmed ageing petrol/diesel light vehicles and approved additional light vehicle requirements with suitable, safe and supportable HEV units that reduce fuel consumption, reduce vehicle-related Scope I emissions and remain fit for MCM's operating environment. This Scope of Work is manufacturer-neutral and performance-based. Bidders are required to demonstrate that proposed vehicles satisfy the functional, safety, supportability, warranty, Vehicle Monitoring System / telematics, maintenance and delivery requirements stated in this document.

- procure suitable HEV vehicles for the listed surface applications
- ensure the vehicles are fit-for-purpose for their intended duty
- ensure compliance with MCM safety and Light Duty Vehicle requirements
- confirm MCM-stated vehicle category, drive configuration, ROPS, FOPS and reflective-conspicuity treatment
- confirm OEM/dealer warranty and support
- obtain complete, comparable supplier technical information
- record all deviations, limitations and clarifications
- obtain commercial and lifecycle information required to support MCM's technical and value assessment
- support MCM's technical suitability review before any award or purchase order

Tender documents will be shared with the Tenderer upon receiving proof of payment of a non-refundable fee of **BWP 500.00 each** only on or before **16th October 2026**.
