REFURBISHED PALAPYE CENTRAL POLICE STATION HANDOVER CEREMONY

Morupule Coal Mine (MCM) today, 4 March 2022, handed over to the Minister of Defence, Justice & Security, and Member of Parliament for Gabane-Mankgodi constituency, Honourable Thomas Kagiso Mmusi, a refurbished Palapye Central Police Station. The P700, 000.00 renovation of the police station is a legacy project for the Mine's expansion project, Motheo.

The "I am a SHE Champion, I account for it" campaign recently launched with a series of stand downs and merchandise to go with it. The purpose of the campaign is to encourage accountability and behavior change on issues of safety, health and environment such that the Mine can attain the goal of Zero Harm.

Motheo Open Cast has now reached the hard surfaces and as such drilling and blasting activities now form part of key activities. Recently the mine executive members went to witness the second blasting. To date three (3) blasts have been successfully taken.
