The SHE team and supervisors from different sections conducted a Mine-wide Visible Felt Leadership (VFL) walkabout. The visit aimed at hearing employees' issues concerning SHE issues and how they can be resolved effectively. This also helps improve employee morale in the workplace.

This week, The Mine Manager for Motheo Opencast, Mr. Tidimalo Tito was invited to BIUST to motivate first-year Engineering students. This is a pertinent exercise as it really helps students to be enthusiastic about their subject as well as set achievable goals for themselves.

Housekeeping is one of the key pillars of MCM. Mr. Obakeng Radi-pholo was spotted cleaning and aligning well the brand sticker, which is pasted on the mine Combi. Well done and keep up the good work.

As part of giving back to the community, MCM is equipping Palapye Technical College students with the skill of fixing mobile equipment at the Garage. They will be on attachment until July. This is also a prerequisite at the college to prepare them for the work environment.
