The Corporate Affairs section continues take employees on a Mine Tour for them to see and appreciate the underground operation and Motheo Project opencast mine. The tours are a refresher and a first for some who are surface workers. This week the tour was different as the tourists were taken into the game park to also appreciate what MCM has to offer other than coal.

MCM management and SHE department has seen it fit to award Makanyane MBA for excellence. The team was found to have done an excellent work during the VFL visit at EM 1/7 section. Some of the good deeds were adherence to mining standards, i.e. support, barring down and fire fighting equipment which were up to standard and serviced. Other teams are encouraged to benchmark and improve their sections.

PREVENTION OF  
**CORONAVIRUS**

**USE FACE MASK**
