

## INVITATION TO TENDER

Morupule Coal Mine (MCM) is a mining company established in 1973 to mine and unlock true value of coal for all stakeholders. The MCM business is at the heart of a prosperous future for Botswana with coal production contributing significantly to the economic development of Botswana. The Mine is owned by the Minerals Development Company Botswana (MDCB) a mining investment entity of the Government of Botswana.

Morupule Coal Mine is located 7 km northwest of the urbanized village of Palapye (the fastest growing center outside the capital city of Gaborone), along the Serowe-Palapye national highway (A14). The company's vision is 'To be a partner of choice in the global coal transition'.
